The West Branch of the Susquehanna River is calling! Answer by signing up for the Susquehanna Greenway Partnership's annual Paddle & Pedal Susquehanna River Sojourn. This 5-day, 52-mile canoe, kayak, and bicycle trip will give you a unique look at life along the beautiful West Branch of the Susquehanna River from Jersey Shore to Muncy, PA. Join the event for one day, or all five – it's up to you!

"Closing the Gaps" is this year's theme that will explore how the Partnership works to link land and water trails along the Susquehanna Greenway. Local experts will also share area history, wildlife and more.

To learn about other Susquehanna sojourns and trips happening this summer visit the Susquehanna Greenway calendar of events at: [www.SusquehannaGreenway.org](http://www.SusquehannaGreenway.org) (<http://www.SusquehannaGreenway.org>). The Susquehanna Greenway is a corridor of connected trails, parks, river access points, and communities, linking people to the natural and cultural treasures of the Susquehanna River and its West Branch. Over 500 miles in the length, the Greenway is one of our state's greatest resources, conserving the environment for all living things, and creating recreational opportunities for healthy communities.
