Contest Calls for Susquehanna Snapshots & Stories

With walking trails, boating areas, fishing spots, riverside parks, and over 70 historic river towns, there is enough along the Susquehanna Greenway to keep you busy all summer!

The Susquehanna Greenway Partnership wants to see the stories and memories you've made this year. Enter your images in the 4th annual *Treasured Towns & Landscapes of the Susquehanna Greenway* photo contest until February 1, 2014. Contest categories include Treasured Landscapes, Susquehanna River Towns, People & the River, and a Youth Category sponsored by Hershey's Track and Field Games for young photographers under 18 years old.

Cash prizes from \$150 to \$50 will be awarded for first through third place in each category and winning images are framed for public display. Become a friend of the [Susquehanna Greenway](#) on Facebook and you can vote for the People's Choice winner. Photos from the following Susquehanna Greenway counties are eligible: Bradford, Cambria, Centre, Clearfield, Clinton, Columbia, Cumberland, Dauphin, Indiana, Juniata, Lackawanna, Lancaster, Luzerne, Lycoming, Montour, Northumberland, Perry, Snyder, Susquehanna, Union, Wyoming and York.

To enter and to view past winning photos, visit www.susquehannagreenway.org/photo-contest.

Need some inspiration? See the Traveling Photo Contest Gallery at the **Washington Street Station, 1 Washington Street, in Towanda** during the month of **August**. The gallery location changes monthly and contest judges selected these 13 winning photographs from over 700 entries!

The Susquehanna Greenway is a corridor of connected trails, parks, river access points, and communities, linking people to the natural and cultural treasures of the Susquehanna River and its West Branch. Over 500 miles in the length, the Greenway is one of our state's greatest resources, conserving the environment for all living things, and creating recreational opportunities for healthy communities.
