Grand Prize, 1st annual contest - Craig Douglas Gephart

Landscapes 1st Prize, 3rd annual contest – David Frasier

SUSQUEHANNA GALLERY FEATURED AT STATE CAPITOL BUILDING

Over 40 stunning images of life along the Susquehanna River are on display at the East Wing of the Capitol Building in Harrisburg until the end of February. The gallery features three years of award winning photos from the annual Susquehanna Greenway Photo Contest. You're invited to join the Susquehanna Greenway Partnership (SGP) as they kick-off the exhibition with a reception on **January 29, 2014 from 3:30-5:30 p.m. in the East Wing Rotunda of the State Capitol building, N. Third St. in Harrisburg.**

In addition to the beautiful images, the public reception will feature light hors d'oeuvres, wine compliments of Starr Hill Vineyard & Winery, and conversation with SGP Board Members, staff, and friends. The first 100 guests will receive a free Susquehanna Greenway wine glass! This event is a great opportunity to learn more about the Susquehanna Greenway and how you can get involved.

To attend the Photo Gallery Reception, please send your RSVP by January 27, 2014 to Erin Pierce at epierce@susquehannagreenway.org or (570) 522-7244.

Your images and stories could be featured in next year's exhibit! To enter the 4th annual Susquehanna Greenway Photo Contest and learn more, visit www.susquehannagreenway.org/photo-contest. Submit your photos by February 1, 2014. Contest categories include: Susquehanna River Towns; Treasured Landscapes; People & the River; Youth Category (for those 18 and under) sponsored by Hershey's Track and Field Games. Winners are announced in the spring, with cash prizes are awarded for the top three photos in each category!

The Susquehanna Greenway is a corridor of connected trails, parks, river access points, and communities, linking people to the natural and cultural treasures of the Susquehanna River and its West Branch. Over 500 miles in length, the Greenway is one of our state's greatest resources, conserving the environment for all living things, and creating recreational opportunities for healthy communities.
