FOR IMMEDIATE RELEASE November 8, 2013 Press Contact: Susquehanna Greenway Partnership Erin Pierce, Program Coordinator Office Phone: 570-522-7244 Email: <u>epierce@susquehannagreenway.org</u>

A free raffle item at the Nov. 21st PM Exchange event includes this framed contest image of Williamsport by Jack Preston.

Susquehanna Snapshots Come to Williamsport

Be inspired to get outside and explore our state's largest greenway when the Susquehanna Greenway Photo Contest Gallery is exhibited at the PM Exchange event on **November 21, 2013 from 5:00pm to 7:00pm at the Holiday Inn Downtown, 100 Pine Street, Williamsport.** Gourmet hors d'oeuvres, cocktails, and holiday music will be provided by the Holiday Inn. There will be a free raffle for a framed contest photo of Williamsport. The cost is \$7 for chamber members and \$25 for non-members. Registration is available by calling 570-326-1971 or online at <u>www.williamsport.org</u>. The gallery will be exhibited at the Holiday Inn Downtown for the entire month of November.

Now is also the perfect time to grab your cameras and share your digital images and stories in the 4th Annual Susquehanna Greenway Photo Contest. Categories include Landscapes, Susquehanna River Towns, People & the River, and a Youth Category sponsored by Hershey's Track and Field Games for young photographers under 18 years old. The contest deadline is February 1, 2014.

Cash prizes of \$150 to \$50 will be awarded for first through third place in each category and winning images are framed and included in the gallery. Become a friend of the <u>Susquehanna Greenway on Facebook</u> to vote for a special People's Choice image. To enter the contest visit, <u>www.susquehannagreenway.org/photo-contest</u>.

The Susquehanna Greenway is a corridor of connected trails, parks, river access points, and communities, linking people to the natural and cultural treasures of the Susquehanna River and its West Branch. Over 500 miles in the length, the Greenway is one of our state's greatest resources, conserving the environment for all living things, and creating recreational opportunities for healthy communities.
