## Photo Contest Features Susquehanna Scenes

The banks of the Susquehanna River are exploding with fall color! Now is the perfect time to grab your camera and enter the Treasured Towns & Landscapes Photo Contest, sponsored by the Susquehanna Greenway Partnership.

Share what you love about life along our River: Scenic landscapes, wildlife, recreation, history, culture, arts, river town life, or scenes with friends and family. Just for Kids: There is a special category for youth 18 and under to share their Susquehanna photos!

Submit your images online at [www.susquehannagreenway.org](http://www.susquehannagreenway.org) now until February 1, 2013.

Contest categories include River Towns, Treasured Landscapes, People & the River, and a Youth Category sponsored by Hershey's Track and Field Games for young photographers. Cash prizes from \$150 to \$50 will be awarded for first through third place in each category. What are you waiting for? Catch those colors before they're gone!

Need some inspiration? The winning photographs from last year's contest will be traveling throughout the Susquehanna region and will be exhibited at **Emma's Food For Life Restaurant, 11 South Market Street, Selinsgrove** during the month of **October**. Judges selected these 15 winning photographs from over 300 entries. You can also view them online at the Susquehanna Greenway website.

The Susquehanna Greenway is a corridor of connected trails, parks, river access points, and communities, linking people to the natural and cultural treasures of the Susquehanna River and its West Branch. Over 500 miles in the length, the Greenway is one of our state's greatest resources, conserving the environment for all living things, and creating recreational opportunities for healthy communities.
