The time has come to grab your camera and enter the 3rd Annual Treasured Towns and Landscapes of the Susquehanna Photo Contest hosted by the Susquehanna Greenway Partnership. Share what you love about life along the river: scenic landscapes, wildlife, recreation, history, culture, arts, river town life or scenes with friends and family.

A special category sponsored by Hershey's Track and Field Games asks photographers 18 and under to share their Susquehanna photos. Submit images online at www.susquehannagreenway.org/photo-contest until Feb. 1, 2013.

Cash prizes from \$150 to \$50 will be awarded to the top three images in each category. Contest categories include River Towns, Treasured Landscapes and People & the River.

Need some inspiration? The winning photographs from last year's contest can be viewed online at the Susquehanna Greenway website. The Susquehanna Greenway is a corridor of connected trails, parks, river access points, and communities, linking people to the natural and cultural treasures of the Susquehanna River and its West Branch. Over 500 miles in the length, the Greenway is one of our state's greatest resources, conserving the environment for all living things, and creating recreational opportunities for healthy communities.
