MILL STREET BEAT

River focus of photo contest

The Susquehanna River is the focus of over 50 stunning photos featured at Old Forge Brewing Company in Danville this month.

To kick off the exhibit, the Susquehanna Greenway Partnership is hosting a Susquehanna Scenes & Sips gallery reception at Old Forge, 298 Mill St., on Monday from 5-8 p.m.

"Anyone who loves the Susquehanna River, her historic river towns, photography and outdoor recreation will be amazed at the different scenes on display,"

**CHRIS
KREPICH**

says **Erin Pierce**, program coordinator. "The images are from four years of our annual Susquehanna Greenway Photo Contest and depict life along the river. The Scenes & Sips reception will be a great time to enjoy a local brew, learn a little about the river and the Greenway and get inspired to plan your next visit along the Susquehanna."

Tickets offer live music by **Tim Latshaw**, tasty light fare and one complementary beverage as you browse the photography and learn about new trail and river-access projects along the Susquehanna Green-

way, says Pierce.

The cost is \$15 at the door and includes a chance to win a prize basket from Old Forge, an outdoor exploration basket, and one of the framed photos.

The photo contest is sponsored in part by Hershey's Run, Jump, Throw program which aims to get kids excited about physical activity.
