Susquehanna Greenway Photo Contest Gallery On Display for the month of October at Susquehanna Life Magazine's downtown Lewisburg Offices!

Over 50 framed images of Susquehanna landscapes, historic river towns, and inspiring photos of life along our incredible Susquehanna Greenway will be on display - including some scenes from Lewisburg and neighboring river towns. Stop-in during business hours to enjoy the photos and be inspired to explore the Susquehanna Greenway.

Last year's entries poured in from across the state and we even had our first international entry from a visitor from Hungary. Clearly, the mighty Susquehanna is a destination not to be missed! The Susquehanna Greenway is a corridor of connected trails, parks, river access points, and communities, linking people to the natural and cultural treasures of the Susquehanna River and its West Branch. Over 500 miles in the length, the Greenway is one of our state's greatest resources, conserving the environment for all living things, and creating recreational opportunities for healthy communities.

Located at 217 Market St. Lewisburg, PA.
