The Susquehanna Greenway Partnership asked people to share their special moments along the Susquehanna by submitting photos in the 3<sup>rd</sup> Annual *Treasured Towns & Landscapes of the Susquehanna Greenway* Photo Contest.

"People embraced the task," reported Erin Pierce, Program Coordinator with SGP. "We received over 700 entries - a new record!" Contest categories included River Towns, Landscapes, People & The River, and a Youth Category sponsored by Hershey's Track and Field Games for photographers under 18. "The kids had great stories to share," said Pierce. "They weren't hesitant to get outside, get active, and snap some great images of their Greenway explorations. That's what it's all about."

Enjoy the breathtaking landscapes, images of historic Susquehanna River towns, and inspiring photos of life along the Susquehanna Greenway. View all of the winners and their stories at [www.susquehannagreenway.org/photo-contest](http://www.susquehannagreenway.org/photo-contest).

The winning images will be framed and travel throughout the Susquehanna region on public display for the rest of the year. The Photo Contest Gallery schedule will be announced on the Susquehanna Greenway Partnership's website and newsletter.

"The judges, who were professional photographers, had a tough time selecting just three winning photos in each category, so we decided to create a pool of Honorable Mention images and ask people to vote for their favorites," said Pierce. To choose the Honorable Mention image you think should be framed for the Photo Contest Gallery, visit [www.facebook.com/SusquehannaGreenway](http://www.facebook.com/SusquehannaGreenway).
