The [Susquehanna Greenway Partnership \(http://www.susquehannagreenway.org/\)](http://www.susquehannagreenway.org/) is now accepting registrations for the August 13-17 [West Branch Susquehanna River Sojourn \(http://susquehannagreenway.org/west-branch-sojourn\)](http://susquehannagreenway.org/west-branch-sojourn). Participants will travel 64 miles from Renovo to Jersey Shore, Pa. Break out the paddles, get your campfire tales organized, and join us for an exciting trip through some lovely and scenic sections of the West Branch of the Susquehanna River during our 5-day educational canoe/kayak trip! Paddle the entire trip, or a few days...it's up to you! Touted by National Geographic as a "Best Adventure Destination for 2012" and recently designated a National Recreation Trail and connecting trail to the Captain John Smith Historic Trail by the National Park Service, the West Branch is a great place for exploration! New This Year: Our final sojourn day, August 17, will be a bicycle trip along the Pine Creek Rail Trail - voted as one of the "10 great places to take a bike tour" by USA Today! Bring your own bike and helmet, or request a loaner adult bike on your sojourn registration form. See registration for details.
