The Susquehanna Greenway Partnership has awarded a mini-grant of \$1,500 to promote the free bike share program managed by the Genetti Best Western Hotel and Convention center in downtown Wilkes-Barre.

The grant is for enhancing the Wilkes-Barre Bike Share program brochure and providing people with information about the Susquehanna River Levee Trail and the Susquehanna River Greenway.

The Wilkes-Barre Bike Share program, administered by the Rotary Club, allows anyone who is 18 or older to borrow a bike for the day. Participants leave their driver's license or state-issued photo ID with an attendant at the front desk of Genetti's and can ride wherever they want, as long as they

return the bike by dark.

The grantee is the Wilkes-Barre YMCA, and partners are the Luzerne County Convention and Visitors Bureau, Persona Photography and Luzerne County Bikes and Walks.

For information about the bike share program, visit www.wilkesbarrebikeshare.com.
